Mr. Norman Boggs
Vice-President
Radio Station WMCA
New York, N.Y.

Dear Mr. Boggs:

WYBC is a non-profit corporation operated by undergraduates who receive no financial reward for their work, and therefore we are in a position to recognize good radio on the part of other stations. We also make an attempt to inform our audience of worthwhile programs.

I personally have gotten the Barry Gray habit, and would like to spread the word to the Yale audience. Anything I would say on the air would be slightly inadequate in describing the Barry Gray show, perhaps because it is difficult to pidgeon-hole the broadcast in the manner done with other entertainers. I would like very much, therefore, to obtain a tape recording or a disc of about fifteen choice minutes from one of the recent broadcasts to rebroadcast on WYBC. I'm sure it would appeal to the argumentative mind which universities try to develope.

I shall look forward to hearing from you about this matter. We will be happy to exchange a blank tape for one which you might send.

I don't know whether compliments are in order to a radio station which carries a worthwhile program, but I would derive a considerable amount of satisfaction in the knowledge that I was contributing to public support of "good radio."

Cordially yours,

THE YALE BROADCASTING COMPANY

Howard Eaton, Jr.
Program Director
